

Tell Us About Your Girls on the Run Experience!

Write a short paragraph or two about one of the following topics:

What I have learned about myself at Girls on the Run:

I learned that it's so fun! I also meet other kids from different grades. I also respect people. I like to make goal and hopefully complete them. I also just like to run.

What I am inspired by:

I am inspired by how fun it is. I also like it because you get to find your race. I also get to see other people running at the race. I am also inspired by how happy you get we you made inspired
